CAPT Laser printers

Canon
PIXMA
Multi-Function printers

Ideal for Sharing Canon Multi-Function and USB printers

The C-6700WG provides convenience and flexibility to share your Canon Multi-Function and USB printer on a Wireless or Wired Local Area Network.

Like the rest of Silex's C-Series products, the C-6700WG is developed in close association with Canon.

Enjoy all functions of your Canon printers over the network - as if they were locally connected.

Key Features

- ⦿ Printing, scanning, memory card access and PC fax over a wireless LAN
- ⦿ Compatible with most Canon USB multi-function and single-function printers
- ⦿ Easy wireless configuration with Windows® Connect Now support
- ⦿ Canon printer status monitoring support

Ideal for Sharing Canon Multi-Function and USB Printers

Features and Benefits

Convert your Canon MFP and Printers to a Shared Network Resource

With the C-6700WG, you can remotely share a Canon USB MFP/printer over the network while at home with your family or at the office with co-workers.

Network Printing, Scanning, Memory Card Access and PC Fax

The C-6700WG provides easy wireless network access with full functionality of the compatible Canon device.

Real-time Canon Printer Status Monitoring Support

The convenience of the Canon status monitoring function is available on the network as if locally connected to your PC. You can remotely monitor various defined printer operating conditions such as ink levels and paper empty on a real-time basis.

Easy Wireless Configuration with Microsoft Windows Connect Now*

The C-6700WG supports Microsoft Windows Connect Now. It simplifies the wireless network initial configuration. The process is very easy. Use the Windows Connect Now wizard, save the results on your USB flash thumb drive, and then insert the thumb drive to the C-6700WG. It automatically creates the wireless configuration instantly. Alternatively, the C-6700WG can be configured over a wired LAN connection.

* Supported only with Windows XP Service Pack 2 or greater

Advanced Wireless Security Support

64/128 WEP is supported, as well as WPA-PSK (TKIP/AES), to securely print, scan or store your data over the wireless network.

Network Diagram

Specifications

Wireless LAN	IEEE 802.11b/g
Wireless Security	WEP (64/128bit), SSID, WPA-PSK (TKIP/AES)
Wired LAN	10Base-T, 100Base-TX (Auto Sense)
USB Interface	USB2.0 Hi-Speed (A type) x 1
Operating Systems*	Windows 95/98/Me/2000/XP/Server 2003/Vista
Supported Protocols	TCP/IP
Configuration	Setup Utility, Web Setup, TELNET, Windows Connect Now
Outer Dimensions	W: 36mm x D: 114mm x H: 138mm W: 1.42 x D: 4.49 x H: 5.43 in (Antenna and Stand not included)
Weight	172g / 5.55 oz (Antenna and Stand not included)
Power	AC Power Adapter, AC100-240V 50/60Hz
Power Consumption	Max 9W (DC5V 1.8A)
Content	C-6700WG, AC Power Adapter, CD-ROM (Setup Utility, Manual) Setup Guide, Warranty Card, Stand, Antenna

* Network scanning, memory card reading and PC-Fax are available only for Windows 2000/XP.

Utility Software

Device Server Setup	Wizard style quick setup utility
CX Print	Client Software for Windows Printing
SX Virtual Link	For networking USB devices
